Thank you for the money you gave us for the book fair held at Shepardson Elementary School. We used the money to allow children in our school to purchase books from our fair who may not have been able to purchase a book otherwise. We sold just over \$9000 in books last week. Our school will receive \$3000 - \$6000 from this event, depending upon how they choose to spend the profit.

We displayed a large thank you sign with your business' name on it at the fair. Thank you for helping us be so successful and thank you for caring about the literacy of our children. I have enclosed a copy of the advertisement I will run in our next newsletter at school as well as in the "Thumbs Up" section of the Coloradoan.

Thanks again for your support and I look forward to working with you again in the future.

Sincerely,

Leigh Ann Dilley  
Chairperson
